

# 2010 Invest in Your Future Campaign

**HELP BUILD THE NEXT GENERATION OF INDUSTRY PROFESSIONALS  
INVEST IN YOUR FUTURE!**

*2010 will be another tough year for donor supported organizations. Remember that the scholarships and educational programs the Foundation provides depend on your ongoing contributions. Keep the education coming by making your gift now and convincing others to do the same!*

The **PHCC Educational Foundation** was formed just over 23 years ago by PHCC members with the goal of helping their fellow contractors be more successful through education and professionalism. These contractors believed and still believe that by helping their friends and their competitors, the whole profession benefits.

Contributions made through the annual **Invest in Your Future Campaign** support the PHCC Educational Foundation's efforts to provide educational programs for our industry. Gifts also support the **PHCC National Auxiliary** scholarship program. Together, the Auxiliary and Foundation award more than \$50,000 in scholarships each year.

Please join the ranks of responsible industry leaders who have made an investment in their future by completing the form below now. Remember--your gift is fully **tax deductible** (as allowed by law) AND will have matching gifts added by **InSinkErator & Ferguson**. Every \$100 in contributions generates more than \$133 in support for education!
