

# National PHCC Scholarship Information

**The 2010 Application Submission Deadline Is May 1st.**

Attracting new talent is essential to the future of the plumbing-heating-cooling (p-h-c) industry. The PHCC Educational Foundation and its industry partners are teaming up to identify and aid students pursuing a career in the p-h-c industry. The purpose of these scholarship programs is to help students prepare for careers in the plumbing-heating-cooling (p-h-c) profession.

The Foundation administers a scholarship that has been funded by the PHCC Auxiliary of Massachusetts. The PHCC National Auxiliary also awards over \$25,000 in scholarship per year. You can access information on the National Auxiliary scholarship program and download application forms by visiting the Auxiliary Scholarship Information Page from the National website.

Foundation awarded scholarships are available to students who are enrolled in a full-time certificate or degree program with a major directly related to the p-h-c profession at one of the following:

- Tech/Comm/Trade**= Two-Year Accredited Tech. or Comm. College or Trade School
- 4-Year School**= Four-Year Accredited College or University
- Appren Program**= PHCC Approved Apprentice Program

*Note: A single application form and supporting materials can be submitted for the A.O. Smith, Bradford White, Delta Faucet and Educational Foundation scholarships. A separate application and supporting materials are required for the Need-Based and MA Auxiliary scholarships.*
